

The logo for Caring Alternatives, Inc. features a stylized red swoosh that curves around the top and left sides of the main title. The text "Caring Alternatives, Inc." is written in a small, italicized font along the inner curve of the swoosh.

Aftercare Support

For Survivors of Sexual Assault

We offer understanding, compassion, strength and opportunity for healing.

The professional support you receive during the recovery process may be the deciding factor in how quickly and how well you return to a healthy life.

Group is confidential, informal, and directed by its members. All group members share something in common and their combined experience offers you an emotionally healing opportunity.

Group is facilitated by professional staff experienced in the areas of sexual assault and domestic violence. Staff can provide factual information about area resources, medical and judicial processes, and methods to reclaim your life.

New members often feel nervous about coming to group the first time. Many find that by calling the number below, they receive additional information that helps them feel more comfortable about the benefits of meeting other survivors.

We encourage you to accept the benefits our aftercare support group offers. There is no cost for this program. For confidential information contact:

- (734) 242-8711 or (734) 847-4986
